The Constitution and Rules

of the

East Tilbury & Linford

Field Target Club

2025/26 Version

Constitution & S.O. & O.R. ~ first ratified at A.G.M. 27/03/2016.

Constitution ~ last amendments ratified at E.G.M. 24/11/2019

S.R. ~ last amendments ratified at A.G.M. 13/04/2025

O.R. ~ last amendments ratified by Committee 19/10/2025

Written with guidance from:

"The Chairman's Handbook" by Sir. R. Palgrave (*Clerk to the House of Commons*) [1883]

"Roberts Rules of Order" by M. and S. Robert [1970v]

"The Legality of Social Clubs' Disciplinary Procedures" by Stephen C. Miller [2003v].

"Club Law & Management" by Phillip R. Smith [2008v]

While noting this 1952 ruling by the then Master of the Rolls, Lord Denning:

"The Courts have no wish to sit on appeal from their [*the club's*] decisions in such a matter [*expulsion from a club*] any more than from the decisions of a family conference. They [*the rules on expulsion from the club*] have nothing to do with social rights or social duties. On any expulsion they [*the courts*] will see that there is fair play. They will see that the man [*to be expelled*] has notice of the charge and a reasonable opportunity of being heard. They will see that the committee observe the procedure laid down by the rules [*the club's rules*], but will not otherwise interfere."

East Tilbury and Linford Field Target Club

THE CONSTITUTION

*Unless stated otherwise this Constitution was ratified at the
A.G.M. of 27th March 2016 with immediate effect.*

This document shall be read in conjunction the club's Statutory, Ordinary Rules, and appendices.

- (A) The club shall be known as 'East Tilbury and Linford Field Target Club', hereinafter referred to as 'the club' or 'The Club'.
(Emended 15/04/2018 with no material change)
- (B) The club shall consist of:
- (i) Full Members: i.e., Adult Members, the 'Lead Adult' of a Family Membership and Honorary Members. From these 'full' members, the offices of chairman, secretary and treasurer, and any other offices deemed necessary, together with a Committee, shall be elected at AGM or EGM to manage the club within the framework of the Constitution and Rules.
 - (ii) Associate Members: i.e., adults and juniors associated to, but not independent of, either Adult or Family Membership. Associate Members have no voting rights.
(Amended E.G.M. 24/11/2019)
- NOTE: i.e. Only the 'Lead Adult', as entered on the membership application/renewal form(s), and Honorary Members are deemed full members and are the only ones allowed voting rights.
- (C) Membership to the club shall be by annual invitation of the Committee and payment of the annual membership fee.
(Amended E.G.M. 24/11/2019)
- (D) All members shall abide by the 'Statutory Rules' [S.R.] and 'Ordinary Rules' [O.R.] of the club.
- (E) The aim of the club is:
- (i) To practice and promote target shooting to the highest levels of safety with the proper use of non-FAC air rifles and pistols, and in doing so safeguard the future of our sport. Therefore, FAC weaponry is not allowed at the club. (See notes below).
 - (ii) To encourage and promote all aspects of the sport of 'Field Target Shooting' (FT).
 - (iii) To advise on all matters relating to competitive 'Field Target Shooting' including coaching in the sport and running field target competitions.

NOTE 1: The Constitution is a simple statement of how what the club is called, how it is made up (i.e. what it consists of. e.g. members, shareholders, etc.) and its objectives. It is this that gives the club legitimacy. It is this that banks, insurance companies may ask to see to prove we are legitimate; they're not interested in anything else.

NOTE 2: Non-FAC air powered rifles & pistols are firearms exempt from requiring a Fire Arm Certificate (FAC) under The Firearms Acts. i.e. Air powered rifles with less than 12ft/lb. power and air powered pistols with less than 6ft/lb. power do not require a FAC. Therefore, firearms above these powers require certification and are not allowed at the club, nor any firearm that requires and FAC, nor its ammunition.

NOTE 3: 'Statutory Rules' are agreed by the membership at AGM/EGM, being of a permanent nature outlining the procedures required to run the club in accord with the constitution.
These 'Statutory Rules' shall be read in conjunction the club's 'Ordinary Rules' and appendices.

NOTE 4: 'Ordinary Rules' are semi-permanent, pertaining to the day to day running of the club. They are made, amended or deleted by the committee charged with administering the club. These 'Ordinary Rules' shall be read in conjunction the club's 'Constitution and Statutory Rules'.

This document shall be read in conjunction the club's Constitution, Ordinary Rules, and appendices.

- (1) **Rules of procedure:** Changes to the club's constitution can only be made by AGM or EGM and ratified by a two-thirds majority vote [S.R.4(ii)]. Once ratified, the constitution shall come into immediate effect.
 - (i) Changes to the club's statutory rules can only be made at AGM or EGM and ratified by a majority vote [S.R.4]. Once ratified, the new or amended statutory rules will come into effect at the end of the meeting.
 - (ii) In the event that the constitution or any part of the statutory rules and ordinary rules is contrary to the law, the law shall take precedence.
 - (iii) Offices and officers of the club can only be created or removed by AGM or EGM.
- (2) **Quorum**
All meetings should be quorate, however if a quorum is not present at the allotted time the meeting may begin with the chairperson declaring (and the minutes show) a quorum is not present [sans-quorate], or postponed.
 - (i) If the meeting continues any decisions made at the meeting shall carry forward as recommendations to be ratified later, if another member arrives and a quorum is achieved, or at the next quorate meeting.
 - (a) However, the inability to make decisions and transact business does not detract from any club rule requiring the meeting to be held. i.e. such rules were complied with as the meeting was convened. [See S.R. 27(i)]
 - (ii) Should anyone become aware the meeting ceases to be quorate, they shall notify the chairman immediately who shall declare the meeting 'sans-quorate' and this fact shall be minuted. The meeting may continue and all resolutions made before being declared sans-quorate are valid. [See S.R.(2)(i)].
 - (iii) At AGM or EGM, a quorum consists of eight full members including committee members and officers. Where there are less than eight full members a quorum shall be 50% of membership including at least two officers.

A simple majority vote shall be used at all times except for changes to The Constitution. [See [S.R.4\(ii\)](#)] i.e., When the number of votes for the proposal is greater than the number of votes against the proposal, the proposal is passed thus becoming a resolution. When the number of votes against the proposal is greater than the number of votes for the proposal, the proposal is defeated. The chairman does not have a vote and abstentions are discarded. However:

- (i) In the event that the number of votes for a proposal is equal to the number of votes against the proposal, [tie vote] the chairperson shall then be entitled to vote, having the casting [deciding] vote. But:
- (ii) For changes to The Constitution a two thirds majority vote is required for any proposal to pass. i.e. the proposal shall be passed when the number of votes for the proposal is greater than or equal to twice as many as the number of votes against the proposal; otherwise, the proposal is defeated. Abstentions are discarded and the chairman may vote but has no casting vote.
- (iii) The manner in which a vote is held, e.g., show of hands, secret ballot or any other way, is at the discretion of the chairman of the meeting.

(Amended E.G.M. 24/11/20219)

(5) Voting at Meetings: No vote shall take place or be deemed upheld if there is not a quorum.

NOTE: An inquorate meeting may be held and proposals agreed and seconded for a future meeting to decide. If some urgent matter can't be delayed and must be acted upon, the members proceed at their own risk with the hope that a later meeting with quorum will ratify the action.

(6) In the event that it is deemed necessary to take a vote:

- (i) A proposer must make a proposal to vote upon, and:
- (ii) The proposal must be seconded by someone other than the proposer.
- (iii) Once proposed and seconded the proposal (motion) shall be debated and voted upon.

Every effort should be made to get independent witnesses to the incident, especially of any evictions under [S.R. 39\(i\)](#), and the incident shall be reported to a club Officer as soon as possible.
- (i) If deemed necessary, the attendant committee member shall consult with at least a further two committee members on the necessity to call a Disciplinary EGM, as soon as practicable, to adjudicate on the accused member's misconduct. [See [S.R.41](#)]
 - (ii) Prior to calling such an EGM, the accused shall be notified of all accusations against them and, along with all club members, shall be invited to the Disciplinary EGM for adjudication on the misconduct.

(Amended E.G.M. 24/11/20219)

NOTE: The rationale being that a committee member should attempt to obtain an endorsement from at least one other committee member (if reasonably possible) before evicting anyone from the site. This is to ensure that a balanced view of an incident should be sought in preference to a single opinion, thereby ensuring that evictions from the site are not influenced by any personal prejudices or history between a committee member and an evictee.

- (39) If necessary, in the interests of safety, the offender(s) should be approached by the attendant committee member and a full adult member, preferably a second committee member and:
- (i) The committee member(s) may ask the offender(s) and accomplice(s) or anyone else present, to put away any kit and belongings, as the committee member sees fit. The committee member(s) may also ask the offender(s) and any accomplices to leave the club premises. Should the offender(s) refuse to leave the club premises when asked to do so, the attendant committee member(s) shall call the police.
 - (ii) Any member asked to leave are deemed 'summarily suspended' from membership of the club and shall remain so until a Disciplinary EGM adjudicates the matter.
 - (iii) In the case of a non-member, e.g., guests asked to leave, for any reason, shall be barred from the club and from using club facilities. i.e., permanently prohibited from using the club grounds or its facilities under any circumstance.

- (40) If the incident is such that the Police Firearms department should be notified, it is the duty of these officers of The Club: Secretary, Chairman or Treasurer to give such notice within 24 hours of receiving the report.
- (41) When deemed necessary under [S.R.38\(i\)](#), the disciplinary EGM will listen to all evidence of the plaintiff. The accused shall be given the opportunity to respond in defence. Neither the plaintiff (*Usually the attendant committee member, to whom the alleged offence was first reported*) acting on behalf of The Club, nor defendant can take part in any debate they can only state their case/defence and answer questions; neither can vote on the decision.
The disciplinary EGM shall then decide whether to:
- (i) completely exonerate the defendant, lifting any summary suspension and remove any disciplinary note from membership database; or:
 - (ii) uphold the accusation and decide on a punishment that can be any of the following:
 - (a) a verbal warning, lifting any summary suspension but noted on the membership database;
 - (b) a formal warning, written into the meeting's minutes and noted on the membership database, condemning their misconduct and reminding them of the Constitution Part C but lifting any summary suspension;
 - (c) give or continue a suspension from club membership and the right to make use of any of the club's facilities for a definite period not to exceed 12 months. Any refund of membership fees is at the Committee's discretion.
 - (i) If the member suspended is an officer or committee member they are removed from office and/or committee. They are not entitled to return to these positions when the suspension is lifted;
 - (d) termination of club membership and the right to make use of any of the club's facilities. However, [S.O.19\(d\)](#) shall apply whilst mindful of [S.R.39\(iii\)](#).
 - (iii) The EGM's decisions are final.
 - (iv) When a formal warning is given and the defendant is accused of the same offence within 12 months of the disciplinary EGM, their membership may be summarily terminated by the Committee as in [S.R.41\(ii\)\(d\)](#) or barred from the club.

(Amended E.G.M. 24/11/20219)

- (42) When membership is terminated:
- (i) it shall be noted on the membership database that the person is deemed 'persona non-grata' and, with the exception [O.R.19\(d\)](#), are not welcome at the club.
 - (ii) the former member shall return his/her ID and any other property of the club shall be returned. Further, the former member shall return or confirm destroyed any data subject to the GDPR [*General Data Protection Regulation*] in their possession.

They may only attend the club as a guest as in **O.R.19(d)**. They cannot apply to re-join during that financial year. - (d) Notwithstanding **O.R. 9**, an adult applicant who declines the invitation to become a member of the club, may continue to attend as a Week 2 [see **O.R. 20**] guest and pay the appropriate range fee as in **O.R.8 (f)**. However, this option is discretionary, for adults only, and the committee may bar such guests from the club without providing the reasons for their decision. A list of all adults who declined the invitation shall be maintained in the rear of the 'Guest Book' [see **O.R.4(b)**]. This option is also available to lapsed-members not previously barred.

 - (b) Upon the resignation of other officers, the committee may select a replacement officer from the committee for the interim period until the next AGM.

NOTE: Resigning from an office is not necessarily a resignation from committee and resigning from committee not necessarily a resignation from the club.

ADDENDUM TO ORDINARY RULES

NOTE 1: 'Ordinary Rules' are semi-permanent, pertaining to the day to day running of the organisation. They are made, amended, or deleted by the committee charged with administering the club. These 'Ordinary Rules' shall be read in conjunction the club's 'Constitution and Statutory Rules'.

NOTE 2: The following definitions have been made Under the Police & Crime Bill 2016.

- (a) An 'airsoft gun' is not to be regarded as a firearm for the purposes of this Act.
- (b) An 'airsoft gun' is a barrelled weapon of any description from which only a small plastic missile, with kinetic energy at the muzzle of the weapon not exceeding the permitted level 2.5 joules (1.84ft/lb.), can be discharged.
- (c) 'Small plastic missile' means a missile that:
 - (i) is made wholly or partly from plastics, and
 - (ii) does not exceed 6 mm in diameter.
- (d) The permitted kinetic energy level for 'airsoft' gun is:
 - (i) in the case of a weapon which is designed or adapted so that two or more missiles can be discharged successively without repeated pressure on the trigger, 1.3 joules (0.959ft/lb.) **
 - (ii) in any other case, 2.5 joules (1.84ft.lb.).

** N.B. this is the only legal 'automatic' gun and should it be a RIF, is prohibited at ETL.
{See also Firearms Act 1986 sec.57A (May 2017 Amendment)}

NOTE 3 Most airguns sold as semi-automatic are in fact 'revolvers with a double action trigger'. This does not satisfy the legal definition of a 'Self Loading' gun (a.k.a. semi-automatic) and is therefore legal.

NOTE 4 During December 2016 the following was agreed via email conference regarding the use of Logos:

For use as website banner & letterhead

For use on club documents i.e. membership cards and & clothing (colour may be transposed):

For use on clothing and trophies (colour may be transposed):

(Amended by agreement of Officers 27/04/2025)

NOTE 6

It is proposed that this gets written into rules at the 2020 AGM.:

Rules of Order are based on 'Robert's Rules' with special note of the following:

'An inquorate meeting may be held and proposals agreed and seconded for a future meeting to decide.'

If some urgent matter can't be delayed and must be acted upon, the members proceed at their own risk with the hope that a later meeting with quorum will ratify the action.

'Robert's Rules' notes that the inability to transact business does not detract from the fact that the society's rules requiring the meeting to be held were complied with.

- (18) Never shoot beyond you viewing range.
- (19) Never aim of fire a gun from anywhere but a designated firing line.
- (20) Observe all safety rules when dry firing. Treat as if a live shot.

- (22) Never move around with a loaded gun, not even between shooting lanes in the woodland.
- (23) When carrying a gun around the grounds it must be:
 - (a) Unloaded and un-cocked with any magazine removed. And,
 - (b) Barrel pointed up or down. (Always down when under a roof but never horizontal.)
- (24) When firing projectiles, it should be bore in mind that BB shot can ricochet more than lead pellets, especially steel shot. It is recommended therefore that eye protection should be worn, especially when firing BB projectiles.

NOTE: *The carriage of compressed gas cylinders for personal use in cars is exempt from the Carriage of Dangerous goods Regulations providing the following rules are adhered to:*

Keep your cylinders secure

Cylinder storage

Cylinders are to be securely stowed, preferably in the luggage area.

If involved in an accident you could be injured by unsecured items being thrown around inside the vehicle. Use a carrying bag or box, if provided, to help keep cylinders secure.

Signs on your vehicle

You are not required to display any hazard warning labels or signs on your vehicles if you are only carrying small quantities of gas cylinders.

Cylinder security

Gas cylinders should be removed at the end of your journey. If left for short periods, then keep out of sight. Gas cylinders and associated equipment are attractive to opportunist thieves.

PROCEDURE AT MEETINGS

Accepted procedure [based on 'Club Law & Management' (Phillip R. Smith)] to follow or fall back on if meetings are run less formally. (Agreed at E.G.M. 24/11/2019)

Minutes shall be taken of all material matters and shall include the exact wording of all proposals, the proposer & seconder and the result of the vote.

Voting shall be counted as in [S.R.4](#) but the method of voting is at the Chairman discretion and may include:

Show of hands [but for the election of officers etc the nominee may be asked to leave the room]
Secret ballot [i.e., on paper]

To make a meeting run smoothly and timely there should be an agenda to adhere to. It should be distributed beforehand to allow consideration by others.

The 'Agenda': Starting with apologies, agreeing of past minutes, reports, election of officers etc. there should then follow:

- *) Items for decision by way of a vote [proposal] previously proposed AND SECONDED. [i.e., at least two people agree to such a proposal.] (This applies to nominations to club positions i.e., a members shall be nominated AND seconded, before a vote.)

The carefully worded proposal shall be on the agenda along with its proposer & seconder, and a brief of the reasoning behind it for consideration by members before the meeting.

At the meeting the proposal shall be read, uninterrupted, in full.

Members may now debate the proposal. Initially each member may speak for or against, or pose questions, only once.

When all have had opportunity to speak once, the proposer shall have opportunity to respond.

Bearing in mind [S.R.6\(iv\) \[Proposal for Closure\]](#), at the Chairman's discretion members may be given a second chance to speak before, voting on the proposal.

Speakers for or against the proposal shall simply state their case.

They shall not filibuster trying to convince others; if a member disagrees with the proposal, they simply speak against it, once [or more at the Chairman's discretion] and/or vote against it.

However, during the debate the proposal may be amended, either by agreement with the proposer or by a carefully worded amendment, proposed and seconded.

Obviously, any amendment must be similar to the proposal. It can be an alternative variation, but cannot be something completely different.

The amendment, if seconded, shall be voted on first. If passed the original proposal is deemed to have failed. If the amendment fails the original proposal stands and shall be voted on.

The exact wording of all proposals, the proposer & seconder and the result of the vote shall be minuted.

Once voted upon, discussion on the subject is closed for the remainder of the meeting.

- *) Items for discussion that may require a decision by way of a vote [proposal] previously proposed but NOT SECONDED. A brief for the reasoning behind it shall be on the agenda; but there must be an immediate seconder at the meeting to continue discussion.

If seconded, the matter may be debated as above then a proposal may be carefully worded by the proposer and request it to be seconded to hold a vote as above.

If there is no seconder there shall be no further debate on the matter for the remainder of the meeting. The exact wording of all proposals, the proposer & seconder and the result of the vote shall be minuted.

Once voted upon, discussion on the subject is closed for the remainder of the meeting.

- *) Any other business [AOB]:

This could be proposals from the floor [If seconded follow the procedure above], questions to Committee or announcements. Matters under AOB can be deferred to the next meeting as an agenda item.

- *) Close meeting.

NOTE: Notwithstanding legal advice on the 'Privacy of Committee', it was agreed at Committee on 20/01/2019, that as a concession and for transparency, 'Committee Meetings' may be open to all members and the minutes may be available to all members. Members attending these meetings may only speak if invited by the chairman but cannot vote.

Appendix 6

Safeguarding Young People & Vulnerable Adults, Equal Opportunities for the Disabled, Race Relations and Offensive Behaviour

POLICY STATEMENT

Introduction

Everyone partaking in East Tilbury and Linford Field Target Club activities is entitled to do so in an enjoyable and safe environment.

The Club has moral and legal obligations to ensure that everyone is provided with the highest possible standard of care and equal opportunity, treated equally in all respects and not subjected to any form of offensive behaviour, verbal or otherwise.

There are many UK laws to ensure the above. e.g.: Public Order Act 1986, Crime and Disorder Act 1998, Race Relations Act 2000, Criminal Justice Act 2003, Safeguarding Vulnerable Groups Act 2006 and the Equality Act 2010 just to list just a few. All revolve around being protected from abuse or neglect and to ensure everyone is given equal opportunities. To fall foul of many of these laws there is no need for a complainant to prove intent; but to simply show that potentially illegal actions took place and they were affected by them. ~ It is the effect on others, not the intent which could give rise to a legal challenge, OR knowledge such actions are likely to cause offence, fear, provocation or immediate violence." e.g. Public Order Act 1986 Sec (5): "A person is guilty of an offence under this section only:

- *if he intends his words or behaviour to be (or is aware that it may be) threatening, abusive or insulting; or*
- *if he intends his behaviour to be (or is aware that it may be) disorderly".*

Policy Statement

The welfare of ALL members of East Tilbury & Linford Field Target Club is paramount. Its members, whatever their age, culture, ability, gender, language, racial origin, religious belief and/or sexual identity should be able to participate in club activities in an enjoyable and safe environment by taking all reasonable steps to protect them from harm, discrimination and degrading treatment and to respect their rights, wishes and feelings.

It is not always easy to distinguish poor practice from abuse so, it is NOT the responsibility of members to make judgements on whether or not abuse is taking place, however, it is their responsibility to identify poor practice and possible abuse and report to The Committee if they have concerns about the treatment of fellow members.

This policy should be reviewed as required or whenever there is a major change in The Club's administration or in any relevant legislation.

Notwithstanding the above, the very nature of The Club's ground does not lend itself to use by those physically disadvantaged, nor the amenities. Unfortunately, this may make visiting the grounds, for some, a difficulty or impossibility. The Club is aware of these shortcomings and shall endeavour to remedy these where the finances, manpower and terms of The Club's lease allow.

Guidance on Policy Compliance

- Always moderate your conversations in the presence of young or vulnerable people (in terms of bad language, references to alcohol consumption etc.).
- Avoid spending excessive amounts of time alone with young or vulnerable people. Always work in an open environment avoiding private or unobserved situations.
- Always treat everyone, the young, the vulnerable and the disadvantaged, equally and with respect and dignity.
- Always put the welfare of the young or vulnerable person first.

- Always give enthusiastic and constructive feedback rather than negative criticism.
- Avoid language and behaviour that may be offensive to anyone.
- Avoid unnecessary physical contact ~ Where any form of manual/physical support is required it should be provided openly and with the consent of the person. Physical contact can be appropriate so long as it is neither intrusive nor disturbing and the person's consent has been given.
- Due to UK Law and The Club rules, those under the age of 14 must be accompanied/supervised by an adult over 21 years of age. The Club does not act in Loco-Parentis therefore involvement and co-operation of parents/carers is required.
- Make attending The Club fun and enjoyable by promoting fairness, confronting and dealing with bullying.
- Maintain a safe and appropriate distance with all others.
- Recognise the developmental needs and capacity of the individuals and do not sacrifice a member's welfare in a desire for club or personal achievements.
- Request written parental consent if members are required to transport young people in their cars and avoid taking young or vulnerable people alone in a car on journeys, however short.
- Do not allow young people to use inappropriate language unchallenged.

Hazard	Risks	Control Measures
Accidental discharge	Injury or death from being shot.	<ul style="list-style-type: none"> - All shooters shall police each other for safety. - Have a competent shooter present at all times. - Weapons shall only be loaded when at the firing line. - Ensure muzzles only point downrange when at the firing line and always pointing up or down when being moved. - Keep any safety control 'on' until ready to shoot. - Keep finger off the trigger until ready to shoot.

Hazards and control measures

Hazard	Who is at risk	Control measures
Injury from accidental discharge	Shooters, instructors, spectators	<p>Marshalling: There should be a dedicated 'Range Marshal' to co-ordinate movement on the range, however, all shooters shall police each other for safety. i.e. All shooters are range marshals and can call a cease fire.</p> <p>Cease Fire: All shooters must fully understand and obey the 'cease fire' procedures.</p>

		<p>Range layout: It shall be clearly defined, secure, and well-maintained with robust backstops.</p> <p>Supervision: Where possible the firing line should be supervised by a competent shooter.</p> <p>Novices should be supervised by a competent shooter at all times. The ratio of competent shooters to novices or guests should be appropriate for the group size and age.</p> <p>Range rules: Enforce strict rules, including: ~</p> <p>Weapons carried muzzle up or down when moving position and always pointed downrange when at the firing line.</p> <p>Fingers must be kept off the trigger until ready to shoot. Non-PCP weapons must be "broken" (un-cocked and unloaded) when not in use.</p> <p>All personnel must stay behind the firing line.</p>
Ricochet from pellets	Shooters, instructors, spectators	<p>Backstop: Ensure the backstops are in good condition and at a safe distance.</p> <p>Eye protection: It is recommended all participants and spectators on the range wear safety glasses.</p>
Improper handling or behaviour	Shooters, instructors, spectators	<p>Safety briefing: A thorough safety brief must be given and understood by all participants before the shooting begins.</p> <p>Participant management: The marshals should enforce discipline and manage unruly or unsafe behaviour by stopping the activity or removing individuals from the range if necessary.</p> <p>Age and ability: Ensure participants have the necessary physical ability and maturity to handle the weapon safely.</p>
Equipment malfunction	Shooters	<p>Maintenance: Air weapons should be regularly inspected and maintained by a competent person. Damaged equipment must be immediately removed from use and secured.</p> <p>Pre-use checks: Shooters must perform a visual check of all equipment before each session.</p>
Lead contamination	Shooters, instructors, equipment handlers	<p>Handwashing: All shooters and instructors must wash their hands thoroughly after handling pellets or equipment, and before consuming food or drink.</p> <p>Cleaning: Regularly clean the range and "de-leading" targets.</p>
Unauthorised access	Unauthorized users, participants	<p>Storage: Store all air weapons and pellets separately in locked, secure cabinets when not in use.</p> <p>Range access: Use clear signage and strict access control to prevent unauthorised entry to the range.</p>
Injury during target changes	Shooters	<p>Control procedure: All weapons shall be unloaded before the 'Range Marshal' declares the range "safe" to go forward to change targets. Weapons shall remain untouched while anyone is forward of the firing line. Shooting shall not resume until the range marshal declared it safe to fire.</p>
Slips, trips, and falls	All personnel on site	<p>Environment control: Keep the range as free of obstacles as possible. Warn participants about uneven terrain.</p> <p>Weather: Consider how adverse weather, such as heavy rain or high winds, could affect safety and visibility on the range.</p>

- **Competition briefing:** Brief all competitors on the risk assessment and safety measures.

- **Dynamic assessment:** Shooters should conduct continuous dynamic risk assessments and be prepared to stop the activity if conditions change or unsafe behaviour occurs.
- **Reporting:** A system for reporting all accidents, incidents, and near-misses must be in place.
- **Emergency response:** Ensure that a fully stocked first-aid kit is easily accessible.
- **Debrief:** Review the session with competitors to identify any issues and remind them of post-activity hygiene, such as washing hands.
- **Store equipment:** Securely lock away all weapons and pellets in their designated storage areas to prevent unauthorized access.
- **Review:** Regularly review and update the risk assessment to account for any changes.
- **Competent instructors:** The activity should be supervised by a competent instructor, ideally one with a National Smallbore Rifle Association (NSRA) certification.
- **Safety briefing:** All participants must receive and understand a comprehensive safety briefing before shooting begins.
- **Instructor-to-shooter ratio:** Adhere to appropriate ratios to ensure adequate supervision, especially with younger or less experienced groups.
- **Discipline:** Enforce strict rules. Anyone who acts in an unsafe manner must be immediately removed from the activity.
- **Equipment checks:** Before each session, a competent person must inspect all equipment for damage. Damaged equipment should be taken out of use immediately.
- **Suitable for users:** Instructors should ensure that participants have the physical ability and maturity to safely handle the weapons.
- **Safe firing direction:** Ensure all weapons are always pointed downrange toward the targets.
- **Access control:** Limit access to the range to instructors and active participants only. Spectators should be kept in a designated, safe area.
- **Range commands:** Marshals must use clear and consistent commands, such as "Cease Fire" and participants must understand and obey them.
- **Retrieving targets:** A strict procedure must be followed for retrieving targets, including clearing all weapons and declaring the range safe.
- **Personal protective equipment (PPE):** All participants should wear eye protection.
- **Hand washing:** As pellets contain lead, participants must thoroughly wash their hands after the activity.
- **Emergency plan:** Know the location of a first aid kit and have a procedure for contacting emergency services.
- **Accident reporting:** Document any accidents, incidents, or "near misses".
- **Review:** The risk assessment should be reviewed regularly and updated after any incidents or changes to procedures.
